

WORMS EASILY REMOVED!
WINER'S
Canadian Vermifuge!

HUNDREDS OF CHILDREN DIE every year from the disease produced by Worms! They are the cause of numerous and frightful diseases. Indeed there is scarcely a complaint commencing in infancy and childhood which may not be produced or greatly aggravated by the presence of these destructive animals in the stomach and bowels. Cases are recorded of their producing St. Vitus's Dance, Locked-Jaw, Spasms, Dropsy, Loss of Flesh in the Limbs, Rickets, Palpitation of the Heart, Eruptions, Dry Cough, Severe Pain in the Stomach, Emaciation, total Decline of Strength, and Consumption. They consume all nourishment in the body, and finally destroy the child.

Winer's Canadian Vermifuge is a pleasant, safe, speedy and permanent cure for this dangerous affliction. It dissolves the worms at once, discharges them off the child, and reforms the system. It is the most perfect thing of the kind ever invented, and no family should be without it.

P. S. Parents may be assured that this medicine is perfectly harmless in all its effects. It is carefully compounded, of the very best materials, and there is not the least danger in using it.

Price only 25 cents per bottle.

THE VEGETABLE PILE ELECTRICITY
Invented by Dr. Upham, a distinguished physician of N. York city, is the only really successful remedy for that dangerous and distressing complaint, the Piles, ever offered to the American public.

Mark this! It is an INTERNAL REMEDY—not an external application, and will cure any case of Piles, either hemorrhoidal or internal; and probably the only thing that will. There is no mistake about it. It is a positive cure to the root, and improves the general health in a most remarkable manner.

Each Box contains twelve doses, at 8 1/2 cts. per dose. It is very mild in its operation, and may be taken in case of the most acute inflammation without danger. All external applications are in the highest degree disagreeable, inconvenient, and offensive; and from the very nature of the disease, temporary in their effects. This Medicine attacks the disease at the source, and removing the cause, renders the cure certain and permanent.

INFLAMMATORY DISEASES.
Although the Electricity was originally prepared for the cure of Piles, yet it has proved itself to be a medicine far superior to all others, in all diseases of an inflammatory character, with a determination of blood to any particular part or organ. In Inflammation or Congestion of the Liver and Spleen; Inflammation, Swelling and Ulceration of the Stomach, Bowels, Kidneys, and Bladder; in Inflammation and Mercurial Rheumatism, it is the best medicine ever discovered.

IMPURITIES OF THE BLOOD.
For all Impurities of the Blood, arising from the impure use of Mercury, or other causes, for all Diseases of the Skin and Scrofulous Affections; in all cases where the blood is positively determined to the Head, producing dizziness and distress, Dr. Upham's Electricity is entirely unrivaled.

TO MARRIED LADIES.
Married Ladies are almost invariably subject to that painful and injurious disease, the Piles, with consequent inflammation of the Stomach, Bowels, and Spleen, and various other diseases of the blood to the Head, &c. The Electricity is perfectly safe for Pregnant Ladies, and the most useful Cathartic that can possibly be used, as it will not only remove the Piles and all inflammatory diseases, but it will also remove the cause, and will ensure an easy time, a safe delivery, and a sound constitution in the offspring.

CURE FOR LIFE GUARANTEED.
The Electricity contains no Mineral Medicine; no Aconite, Colocynth, Gamboge, or other powerful and irritating purgative. No fear of taking cold while under its influence, as it does not act on the bowels, but on the blood.

A CURE FOR LIFE IS GUARANTEED.

BUCHANAN'S
Hungarian Balm
OF LIFE.

JOYFUL INTELLIGENCE!
Another Life saved after the DOCTORS
could do no more!

Barb, Mo., Feb. 23, 1895.

Dr. Bradlee—Sir—I take pleasure in giving you a statement of the beneficial effects of Buchanan's Hungarian Balm, which I had been for a number of years afflicted with a bad cough, pain in the side, raising blood, and all those symptoms which attend that insidious disease, CONSUMPTION. I employed several distinguished physicians at great expense, who, after numerous visits, and many experiments, finally declared that

They could do no more!
I was then advised by a friend to try Buchanan's Hungarian Balm. I did so, and the result has been most astonishing. My cough is entirely cured, and, in now attending to my usual duties. I find Two Hundred and Fifty Dollars' worth of Medicine, without any sort of benefit, while Six Dollars' worth of Hungarian Balm has removed the disease, restored the strength, and brought on a healthy action.

I am gratefully yours,
JOHN YOUNG.

ASTONISHING CURES OF CONSUMPTION!
Two cases pronounced beyond the reach of Medical aid.

Augusta, Me., May 27, 1895.

Dr. Bradlee—Sir—The Hungarian Balm has been of the most service to me. I have been cured of an affection of the Lungs, which was thought to be incurable by all my friends, by the use of a few bottles. One of my children was nearly restored to health after being pronounced beyond the reach of Medical aid, and was cured by the use of your Balm. I employed several distinguished physicians at great expense, who, after numerous visits, and many experiments, finally declared that

He could not get well!
He stopped taking medicine, but continued to grow worse, until he was so weak that he could scarcely sit up. He saw a notice of the Hungarian Balm, procured a bottle, and continued to take it according to the directions—and, strange to say, in a few months he was a strong man and as he believed, permanently cured.

Yours, respectfully,
H. G. O. WASHBURN, Backsaler.

CREAT CUR OF NERVOUS CONSUMPTION!
A Patient raised from the Bed of Death by the Hungarian Balm.

Warren, Me., Oct. 17, 1895.

To Dr. D. F. Bradlee—Dear Sir—I feel a sincere thank you to the opportunity offered, to express to you my appreciation of the Hungarian Balm. I think with the blessing of a kind Providence, I owe my life to this medicine. I have been for some two or three years afflicted with a severe case of Nervous Consumption, attended with all its horrors. I employed several different Physicians, but THEY COULD GIVE ME NOTHING TO REACH MY CASE, and I certainly grew worse, and at last was confined to my bed, with an inflammation in my stomach, lungs, and liver, and a severe palpitation of the heart, and the distressed breathing was so bad that I could not lie down, and at times so violent as to choke my bed. I have in this situation

I could not long survive.
My doctor and neighbor advised the same. A friend accidentally sent to my family an advertisement of Buchanan's Hungarian Balm. They procured me a bottle, and I with some reluctance at first commenced taking it. The first dose gave me some relief, and in a few days I could sit up in bed. I continued to grow until I took thirty bottles. I am now better health than I have been in many years. The Hungarian Balm is held in the highest private esteem in this county.

Yours, respectfully,
LUCIE C. CUSHMAN.

Certificate of the Apothecary who furnished the Hungarian Balm to this Patient.

This may certify that I am acquainted with Mrs. Lucie C. Cushman, and was a witness of the effects of the Hungarian Balm, described in the above certificate. Her case was a very severe and dangerous one, and the cure was effected very remarkably by all who knew her. She was confined to her bed, had weakness at night, and was not expected to live but a few days, when she commenced taking the Balm. She is now in better health than she has been in many years. The Hungarian Balm is held in the highest private esteem in this county.

Yours, respectfully,
ORRIS S. ANDREWS, Apothecary.
